Catholic Newspapers Re-launched under one title.

Time had run out for the **Catholic Times**, and **the Universe** as we knew it has come to an end. Both titles have now been merged into one weekly Catholic newspaper giving, like the bread, the Best of Both. The new paper runs to 50 pages plus and costs £1.50 per copy. We can provide you with a copy each weekend but you have to commit to taking and paying for it for three months. The old system of sale or return no longer operates so we don't want to be stuck with unsold copies, If you are interested please let Father Robert know. We need a minimum of five people as the minimum delivery per week is five copies.

The church shop (St. Anne's.)

This will only be open at the end of Mass as the volunteers are also acting as stewards as people enter the church for Mass. The shop is open only on Saturday after the 1.00 Mass. Mass Cards can be had from the Vestry anytime.

Complying with the Recommendations.

Please do as the Stewards ask— use the hand sanitiser and sit in the seats that are allocated and use the entry and exit doors.

Donations at Mass.

We cannot pass the collection bags around, for obvious reasons, so, please put your offering in the basket as you leave church. The weekly giving envelopes are available now in boxes for those who use this method of giving. You can collect a box from the vestry after Mass.
