Mass Intentions and Requests: between the two churches there are numerous requests for Masses to be offered for various intentions – for recently deceased and anniversaries, for the sick, for birthday and special occasions. As each priest can accept just one Mass Stipend each day, please accept that I am unable to fulfil all the requests here. Most of your Mass Intentions and Stipends have to be transferred to priests in other parishes in the dioceses and abroad. The priests receiving them are very grateful, and the stipends offered gives them additional financial support. Be confident that the Masses are offered.
