World day of the Sick 2017 1992-2017 (Silver Jubilee) (from) Pope Francis' message for World day of the Sick 2017 "On 11 February next, the Twenty-fifth World Day of the Sick will be celebrated throughout the Church... this Day is an opportunity to reflect in particular on the needs of the sick and, more generally, of all those who suffer.

It is also an occasion for those who generously assist the sick, beginning with family members, health workers and volunteers, to give thanks for their God-given vocation of accompanying our infirm brothers and sisters.

This celebration likewise gives the Church renewed spiritual energy for carrying out ever more fully that fundamental part of her mission which includes serving the poor, the infirm, the suffering, the outcast and the marginalized."

May He support us all the day long, till the shades lengthen and the evening comes, and the busy world is hushed, and the fever of life is over, and our work is done.

Then in His mercy may He give us a safe lodging, and a holy rest and peace at the last. Amen (Blessed John Henry Newman)
